

Nippon COMSYS to open a new Representative office in Indonesia

Nippon COMSYS Corporation (Head Office: Higashigotanda, Shinagawa-ku, Tokyo; President & Representative Director: Hiroshi Tanabe) will open a new Representative office in Indonesia on October 1, 2025, in order to accelerate its business development in the Indonesian market and establish a business structure to swiftly respond to customer needs.

By establishing the Indonesia Representative Office, which will be based in Jakarta, Nippon COMSYS aims to promote its communication infrastructure business, information and communication technology (ICT) solution business, and social system-related business through reinforced cooperation with local partners and achieve business expansion in the fast-growing Indonesian market. At the same time, as its long-term growth strategy, the company aims to enhance competitiveness overseas.
